Textiles: We will design and create our own macrame. Macrame is a form of textile, created using a knotting technique. It was a popular form of home décor during the Victorian era.		The Victorian era: We will explore the significance of the Victorian period. We will contrast the Victorian lifestyle with modern day, including the lives of children, forms of entertainment, what clothes they wore and Victorian schools.	
		Painting: Victorian artists often depicted social problems to raise awareness of the different ways people lived. We will paint a landscape depicting our visions of a sustainable future. We will use a range of brushes to create different texture, and experiment with different colours to create atmosphere and tone.

Target Games: We will develop our target skills, throwing and catching. We will learn the rules of tag rugby and apply our target skills to take part in tag rugby games.	Being Me in My World: We will build on our knowledge of how our actions have rewards and consequences. We will explore what it means to be a part of a team and how we are all important members of our class and school.	Animals, including humans: We will explore how animals, including humans need the right types and amounts of nutrition. We will identify that humans and some animals have skeletons and muscles.	Creation: What do Christians learn from the Creation story? The Bible tells a story about how humans spoiled their friendship with God, sometimes called 'the Fall.' We will explore how Christians show that they want to be close to God, through obedience and worship, which includes saying sorry for falling short.
